9-11 NOVEMBER, TRAINING VISIT IN TURKU, FINLAND D.2.2 INNOVATION CAMP

For three days, the participants have experienced the concept of the innovation camp and acting as their students will during the pilot phase. They developed business ideas in 8 teams and got practical experience about entrepreneurship, the process of developing a business idea and how to sell it. After the camp, participants had a better understanding of the requirements to become an entrepreneur and to advise and support their students better. The Innovation camp also introduced another approach on how to teach entrepreneurship and foster entrepreneurial skills. The Ministry also took part in the training.
