University of Gjirokastra Mail - UGJ, prof. Eric Archer nis sesionet për praktikimin e gjuhës angleze

Members of the academic staff and students of the University of Gjirokastra came together in a friendly meeting, in the form of a conversation, with prof. Eric Archer.

The American profesor from Western Michigan University will be part of the University of Gjirokastra for one academic year, to contribute to the internationalization of UGJ and the exchange of teaching experiences.

The cultural differences between the two countries were at the center of the conversation during this meeting, which opened the door to the weekly meetings of this format.

Prof. Archer stated that he is pleased to contribute to the practice and increase of the English language level for staff and students.

The meetings are open and will take place every Monday, at 12:00, in the Mediateka hall at UGJ.
